T-contract Staff's Remarks	
Timesheet Certifying Officer's Remarks	

Note 1: Chargeable day could be calculated on half-day basis, e.g. "0.5" day for a work day on Saturday (i.e. Saturday On).

Note 2: Fill in the hours of services rendered on regular work days/regular shift pattern/ Severe Weather which cannot be calculated in "Day" unit. Chargeable hours could be calculated in half-hour basis. "Overtime Hours" should NOT be included here. Please specify details in "T-contract Staff's Remarks" if services are charged by hours worked instead of days worked.

Note 3: Fill in details for non-chargeable day where no service fee is chargeable by the T-contractor.

Note 4: Refers to training (i) enrolled/arranged by T-contractor on the request of B/D or (ii) initiated by T-contractor with prior agreement of B/D. For training provided/arranged by B/D during office hour on its own cost, the time spent should be counted as chargeable service.

Note 5: Please specify the details in "T-contract Staff's Remarks" if number of day is entered in this column.

Note 6: For traveling expenses incurred on journeys by public land transport, other than normal home-office journey, for duty purposes with prior authorization by the supervising officer of the T-contract staff.
